

QUALITY POLICY

The MEO Group shall pursue excellence in providing services to our clients and stakeholders, such that their expectations are surpassed.

We are committed to:

- Understanding and fulfilling our customers' needs, stated and implied
- Driving a robust, globally bench-marked Quality Management System
- Complying with all applicable rules and regulations
- Continual, measurable improvement of our operations and processes
- Professional integrity
- Effective management of risk

ENVIRONMENT POLICY

The MEO Group shall do everything to minimise the environmental impact of our operations.

We are committed to:

- Adhering to all applicable environmental laws and regulations
- Continually assess risk and apply appropriate safeguards
- Continually develop awareness of the need for environmental protection through training, development and information sharing
- Promoting the principles of conservation and renewal

Note: These policies will be reviewed annually for their continued effectiveness.
